

#### TO BE A HEALTHY CONGREGATION

Periodically in my work as transitional (interim) minister, I read sections of the very informative book, "Healthy Congregations," by Peter L. Steinke. Perhaps I'm attracted to it more than other writings on this subject because Rev. Steinke analogizes congregational health to human health, which touches on my careers in medicine and ministry. He begins his book by appropriately pointing out that "health," whether of a congregation or of oneself, means that all of their respective parts are working together to maintain balance under a wide assortment of challenges, internally and externally. So we can see what the apostle Paul meant when he developed his concept of the "Body of Christ" based on the same analogy, as he envisioned a universal church in which all of its parts would function through interaction and cooperation under the umbrella of God's love. In fact, this analogy became a strong symbol of Christian unity, being cited 37 times in New Testament letters.

Transitional ministry usually begins with an assessment of the overall health of the congregation, and if concerns adversely affecting its health are identified, continues with steps to alleviate or eliminate them. My preferred process for working on such concerns is open, confidential, one-on-one dialog.

In my first five months with you, many in the congregation came by my office to discuss church-related concerns. Virtually all of them were historical in nature, and were still being painful, emotionally and spiritually. Discussion of them seemed to provide a degree of relief that was conducive to opening hearts and minds to a bright vision for the church. As we entered the New Year, cessation of visits led me to believe that the health of the congregation was at an optimal level.

But apparently not so! My first indication of this came from the Stewardship Board, which was finding that a major reason for the substantial decline of the member total pledge for 2012 was residual negativity towards the church stemming from past ministry, in some instances coupled with a wait-and-see attitude directed towards the nature and quality of ministry of the yet-tobe-called senior minister. The second indication came from mostly historical concerns strongly expressed in some responses to the recent congregational survey, taken for the development of a current Church Profile to be used in the search for the new Senior Minister.

As I have said many times over the seven months of my ministry here, this church stands out as a vibrant community of faith not only in the United Church of Christ, but also in Glenview and its surrounding communities. This could have been accomplished only by the whole congregation working as one in responding to God's purpose for it over the years.

Rev. Steinke said, "A healthy congregation is one that actively and responsibly addresses and heals its disturbances." Let us continue to work together to understand and ease concerns of the past, and so create a wideopen road to the future for the church.

Yours in Christ,

Doug

# GRETCHEN GRAD, A LOCAL HERO!

We're delighted to announce that on February 21, 2012, the founder of Hands of Peace, Gretchen Grad, was given the "Human Rights Champion Award" at the first Annual 10th Congressional District Community Leadership Awards ceremony. Hundreds of people were nominated for seven awards that included Excellence in Education, a Veteran's Friend Award, an Entrepreneurial Excellence Award, Athlete of the Year Award, Volunteer of the Year Award and Friend of the Environment Award, alongside the Human Rights Champion Award. Congressman, Robert Dold, established these awards to recognize individuals in our community who work passionately to solve problems and improve the lives of others, and in so doing go above and beyond the norm. After ten years of tireless effort on behalf of Hands of Peace, our Gretchen is definitely worthy of this honor!

We will all learn together.

It has been requested that the blockbuster call to worship/rap, created and delivered by the fourth graders, be shared in the Broadcaster. Thanks also to teacher Diane Christiansen.

ABC elementary, B to the I to the BLE. The Bible is the book that's off the hook, so come with me an take a look.

THE WORD, THE WORD, THE BIBLE IS THE WORD.

Noah was the dude that built the Ark, he knew it wasn't gonna be a walk in the park. He prayed to God, who told him what to do and lined up the animals two by two.

THE WORD, THE WORD, THE BIBLE IS THE WORD.

Adam and Eve were hanging in the garden, but a snake with an apple made Eve a bad bargain.

THE WORD, THE WORD, THE BIBLE IS THE WORD.

My brother was jealous because he was broke. He sent me down south and that's no joke. He sent me away, but the joke was on him. He thinks my chains are shaking, but my own wealth I'm making.

THE WORD, THE WORD, THE BIBLE IS THE WORD.

Pharoah had to deal with the bad plagues all because he would not free the slaves. The Hebrew people put blood on their doors, so their sheep wouldn't die and they wouldn't be poor.

### **Coming April 1st in the Mayflower Room**

#### What is it?

A Labyrinth is a spiritual tool dating back to ancient times. It offers a pathway of prayer and a walking meditation. It is not a maze, with tricks, obstacles, dead ends, and many paths; a labyrinth has a single pathway for entering and exiting. No directional decisions are necessary. Its whole is always visible; the Labyrinth represents a blue print for your heart and soul.

#### **History:**

The earliest Labyrinths date from 3000 to 2500 BC. Labyrinth designs have been discovered among early Christian communities around 400 AD. During the 12th to 14th centuries, numerous cathedrals in Italy, Spain, and France had labyrinth designs built into the floor. The most renowned surviving labyrinth is in Chartres Cathedral, near Paris. It's believed that Christian pilgrims who could not afford to make the long journey to the Holy Land walked the

Labyrinth as a metaphor for their journey to Jerusalem.

#### **Spiritual Relevance for Today:**

Walking the Labyrinth is a personal journey. The single pathway that leads you to the center and out again enables you to free your mind from mundane thoughts and concentrate on the sacred. Your walk, pace, and personal experience are all your own. When will I be able to participate in the Labyrinth experience?

You are invited to walk the labyrinth at GCC in the Mayflower room on your choice of dates and times: Sunday, April 1, 9 am to 12 pm; Monday, April 2, Tuesday, April 3, and Wednesday, April 4, 4:00 pm to 8:00 pm. Guides will be available during these times. You are also welcome to walk any time the church is open.

(sponsored by the Pastoral Care Board)

#### **BIBLE STUDY ON THE GOSPEL OF MARK**

Our Lenten Bible study of the Gospel of Mark continues each week. You are welcome to join us any time. We meet on Monday evening from 7:00-8:15 p.m. or on Wednesday morning from 10:30-11:45 a.m. The classes are structured the same so you may interchange days/nights per your schedule. Join our lively discussions in Room 5. Questions, contact Rev. Pam Keckler.

#### INDIVIDUAL MEDITATION AND PRAYERS

Remember that the Chapel is open each day, Monday through Friday from noon until 5 pm if you wish to come for some quiet reflection and meditation time. Enter from the West Entrance.

## LENTEN SOUP AND TAIZE WORSHIP SERVICE

#### WEDNESDAY EVENINGS

Join us for a simple supper from 5:45 p.m. - 6:30 p.m. in the Mayflower Room, followed by a Lenten Taizé worship service in the Sanctuary from 6:30-7:00 p.m. each Wednesday night in March. We still need a group or individual to host two meals – soup and bread – on March 21 and 28. You will be reimbursed for your expenses. Please see Rev. Keckler if you can help.

All members should have received the letter, requesting the donation of Easter Lilies to decorate the Sanctuary for Easter Sunday, April 8th. We appreciate the ones that have been returned and ask those who haven't returned their orders to join in bringing joy on Easter and honor to those who you love and remember.

Also, volunteers are needed to help deliver Easter Lilies after our celebration at church. It is a wonderful way to reach out to church members and friends, who are ill or home-bound. It takes a little of your time but means so much to those receiving the plants. It is a connection with GCC that many anticipate and appreciate so much. You may pick up the lilies for delivery after the 11:00 a.m. Service on Easter Sunday, April 8th, or pick them up at the front Church door between 11:00 a.m. -12:00 p.m. on Monday, April 9th.

If you are interested in helping with the delivery, please call Mary Ellen Johnson at (847)998-1363 or email at <a href="mailto:menlesw@aol.com">menlesw@aol.com</a>. Thanks so much in advance.

# MINISTRY FOR BUSY PEOPLE VOLUNTEER OPPORTUNITIES

Years ago, members would approach me saying how much they would love to help, but were just too busy. It didn't take me long to develop what I call my *Ministry for Busy People*. The following are volunteer opportunities which do not require much time. Please think about joining one of these programs:

**We Care Committee:** Willingness to provide services to other church family members in need of temporary help. Some of these services are – driving to the doctor's appointments, shopping, running errands or emergency cooking. All you need is a desire to respond occasionally as your schedule allows.

**Prayer Chain:** A weekly telephone ministry, you receive the prayer requests and call one person on the chain and share these requests. You are then asked to pray for those requests.

**Privileged Visitors:** You will be assigned a home-bound member to visit. The message is to let them know that the church cares about them. I ask that you visit at least once a month. No training or meetings involved.

Please call 847-724-2210 ext. 230 or email <u>marilyn.belleau@gccucc.org</u> if you would like more information or would like to volunteer. None of the above programs require much time, yet they make such a difference in a member's life and in the life of this church.

For those who feel called to a more structured visitation program, we have the **Called to Care Ministry**. This is a lay pastoral care program offered on a short-term basis. You will provide a listening presence, compassionate caring and a prayerful heart to a member of the church. You are asked to make weekly visits to this individual. **Called to Care Companions** attend monthly supervision meetings where a variety of life issues and ministerial topics are discussed. If you or another church member could benefit from this program,

please contact me. If you would like to discuss becoming a *Called to Care Companion*, I would appreciate hearing from you.

Marilyn Belleau, R.N., Parish Nurse Courtney Bouker, LNHA Mike Denesha, Support Group Leader, Arden Courts of Northbrook, Family Caregiving

Caring for a loved one with Alzheimer's disease or related dementias can be rewarding and a life changing experience. It can also be the most difficult of tasks and can take a serious toll on the mental and physical well-being of the caregiver. Current statistics show that almost 10 million Americans are caring for a person with Alzheimer's disease and related dementias.

Arden Courts of Northbrook, together with Glenview Community Church, welcome you to attend the monthly Alzheimer's and Related Dementia Support Group. With a clear understanding of the disease, education on specific care needs and issues, and support from others in the same situation, there can be life after diagnosis.

The support group will provide education and support for the entire family. Gain strength from others who face the challenges of caring for someone with Alzheimer's disease or related dementia. Support groups offer emotional support and information, as well as, provide a safe and positive setting to express fears and concerns and to share experiences.

The group meetings are free and open to the public. No reservation necessary.

Support Group meetings will be held from 1:00 p.m. – 2:30 p.m., the fourth Thursday of every month. The first meeting will be on March 22, 2012 at the Glenview Community Church Library at 1000 Elm Street, Glenview, IL.

## TROUBLE HEARING THE LESSONS & SERMONS?

Hearing loss tends to occur gradually and at the higher frequencies that are important for intelligibility. If you think your hearing could be better, or even are already wearing a hearing aid, try the assisted listening system at GCC. The supply of receivers has just been augmented with four additional units. Receivers and information sheets on the hearing units are available before the service in the Narthex near the south entrance to the Sanctuary. If you need help, ask an usher for assistance.

## Happy St. Patrick's Day

May your blessings outnumber the shamrocks that grow, and may the trouble avoid you where you go.

Trish Blessing

Oh, the music in the air!

An' the joy that's ivrywhere 
Shure, the whole blue vault of heaven is wan grand triumphal arch,

An' the earth below is gay

Wid its tender green th'-day,

Fur the whole world is Irish on the Seventeenth o' March!
